**\*Please Note:** Presidents Day is not a required school holiday. It is designated as a holiday for various BOCES employee groups in our contract agreements. Due to emergency school closings that occur each year, there may be a need to use this day as a day of school attendance in order to satisfy the number of school day sessions, required by law, for each school district as well as BOCES. If this occurs, a substitute holiday would be scheduled in place of Presidents Day.
